England Netball Supporters Club – “Meet the Team” !!!  
The Picture Says It All !

We had the most amazing “Meet the Team” get together in Liverpool – what a fantastic atmosphere created by both supporters and the England Roses. Numbers were limited to 250 (room size restrictions) and there were, unfortunately, many disappointed fans. But those who did attend had an amazing time!

## Devastating news for the Squad with Layla Guscoth out with a ruptured achilles.

Tracey Neville, Head Coach of the Vitality Roses, said: "Layla is an amazing addition to our team and we are so disappointed that she won't be joining us on court for the rest of this tournament.

"It is devastating that her journey in this World Cup is over but myself and all of the Roses are by her side supporting her through this time. We will do everything we can to ensure she is back playing again soon."
